WISE EMPLOYMENT EXPANDING ITS SERVICES FOR JOB SEEKERS AND EMPLOYERS IN NEW SOUTH WALES.

WISE Employment is proud to announce the expansion of its employment services across New South Wales.

WISE Employment is a not-for-profit organisation that has provided employment services to members of some of our most marginalised communities since 1992.

Brenda Odewahn, Operations Manager for WISE New South Wales has been working in the employment industry in New South Wales for 13 years.

WISE has four offices in New South Wales, providing employment assistance under the Disability Employment Network (DEN).

Brenda said the staff across WISE New South Wales are looking forward to being able to assist more members of the community to find fulfilling employment.

"We are really looking forward to being able to service more job seekers in Greater Western Sydney that we haven't previously been able to assist."

WISE offices in Penrith, Parramatta and Mt Druitt will now be offering employment services to eligible job seekers under Job Services Australia (JSA).

Job Services Australia is the new Australian Government employment initiative for eligible job seekers registered with Centrelink, starting 1 July.

"We will be providing job search assistance linking in with local training and work experience opportunities, as well as helping local employers find staff," said Brenda.
