WISE Employment is a not-for-profit organisation that offers specialist employment services, with branches in Victoria, New South Wales, Tasmania and the Northern Territory. We provide free placement under Job Services Australia and Disability Employment Services and we are a registered training organisation. We reinvest our surplus funds into innovative projects and programs that benefit the most marginalised and under supported sections of our community.

WISE Employment is here to help you find rewarding work and get your life back on track.

If you're recovering from an injury or illness, or have some other temporary barrier to employment, you're probably keen to get back to work as soon as possible. That's where our Disability Employment Services - Disability Management Service comes in. By focusing on what you're good at, we can help you find a job that suits your skills, qualifications and experience.

WISE Employment is one of Australia's most successful specialist employment services. We have been helping people with injuries, illness and disability find rewarding work since 1992. We're a cost-free service to eligible job seekers – here to give a helping hand while you adjust and get back to work.

Here's how our team of dedicated case managers can make things easier for you:

- Help you identify your goals, strengths and skills
- Assist you with your résumé and letter writing
- Coach you in interview techniques
- Speak to employers on your behalf
- Organise workplace training
- Provide support after you start your job
- Find an interpreter if required
